Dear Peter

I am writing to thank you for your fine craftsmanship in designing, making and installing a leadlight panel at the front entrance to my home.

The panel matches perfectly the existing glass in the entrance door, and I am thrilled with the result.

Peter, you are a consummate professional and a credit to your craft. I enjoyed very much the journey we undertook from our first meeting right through to the design and installation of the leadlight panel.

All good wishes for the future!

Kind regards
